

Department of Energy

§ 109-43.4701

that all data, information, and software has been removed from the equipment. Designated computer support personnel must indicate that the equipment has been sanitized by attaching a certification tag to the item. Sanitized ADPE will be utilized and disposed in accordance with the provisions of the FPMR.

§ 109-43.307-54 Unsafe personal property.

Personal property that is considered defective or unsafe must be mutilated prior to shipment for disposal.

§ 109-43.312 Use of excess personal property on cost-reimbursement contracts.

(a) [Reserved]

(b) It is DOE policy for designated contractors to use Government excess personal property to the maximum extent possible to reduce contract costs. However, the determination required in 41 CFR 101-43.312(b) does not apply to such contracts, and a DOE official is not required to execute transfer orders for authorized designated contractors. The procedures prescribed in 41 CFR 101-43.309-5 for execution of transfer orders apply.

§ 109-43.313 Use of excess personal property on cooperative agreements.

(a)-(c) [Reserved]

(d) Heads of field organizations shall ensure that required records are maintained in a current status.

§ 109-43.314 Use of excess personal property on grants.

(a)-(e) [Reserved]

(f) Heads of field organizations shall ensure that the records required by 41 CFR 101-43.314(f) are maintained.

§ 109-43.315 Certification of non-Federal agency screeners.

(a)-(c) [Reserved]

(d) Contracting officers shall maintain a record of the number of certified non-Federal agency screeners operating under their authority and shall immediately notify the appropriate GSA regional office of any changes in screening arrangements.

Subpart 109-43.5—Utilization of Foreign Excess Personal Property

§ 109-43.502 Holding agency responsibilities.

(a) [Reserved]

(b) Property which remains excess after utilization screening within the general foreign geographical area where the property is located shall be reported to the accountable field office or Headquarters program organization for consideration for return to the United States for further DOE or other Federal utilization. The decision to return property will be based on such factors as acquisition cost, residual value, condition, usefulness, and cost of transportation.

Subpart 109-43.47—Reports

§ 109-43.4701 Performance reports.

(a)-(b) [Reserved]

(c) The annual report of personal property furnished (e.g., transfers, gifts, loans, leases, license agreements, and sales) to non-Federal recipients, including elementary and secondary schools, is furnished to GSA by the DPMO. Feeder reports, using the format illustrated below, shall be submitted to the DPMO by November 15 of each year.

(1) Field office feeder reports shall include the following:

(i) Data for all excess personal property obtained from other Federal agencies and furnished to any DOE offsite or designated contractor or financial assistance recipient;

(ii) Data for all DOE personal property no longer needed by a DOE direct operation and subsequently furnished to any DOE offsite or designated contractor or financial assistance recipient.

(iii) Data for all personal property furnished to elementary and secondary schools and non-profit organizations under initiatives to support science and mathematics education.

(2) Field office feeder reports shall not include data for contractor inventory which is declared excess and subsequently redistributed through REAPS (or other means within DOE) to other DOE contractors or designated contractors' subcontractors.
